lentes inteligentes para controle de luz™

2021

**Só os renovados e
preparados online**

Transitions®

Esse planner é de:

Se tem uma coisa que 2020 nos ensinou, foi a planejar mais. E também deixar rolar quando todos os planos ficarem só no papel. Esse planner é um convite para você imaginar, rabiscar e se expressar com um olhar mais gentil para a sua própria rotina.

Além dos planos, inclua mais pausas, mais reflexões no seu dia. E que em 2021 você não esqueça de viver com leveza e respeito ao ritmo da sua jornada.
